The last of the "Angels" of the Project has gotten her wings and left us...my Heart is heavy today and she will truly be miss and remember. To the Pryor Family, my Condolences to ALL. I think back to Clovese street, the laughter and talk, rope around her yard(don't step on my grass), her long black pretty hair, tall and slim Mr. Pryor(Kirk), sitting on the chain and listen to the story they told, the day Jacob came home from the Army, sitting with Lady Mae and my friend Marvilla(Red) in the den. As I think of those days, I cherish every moment and time.

My love is always with you...RIP Ms. Pryor
