Mr. Martin Kelley Burton was born June 24, 1970 at Los Robies Hospital in Thousand Oaks, California the son of Louise Annette Goddard of Wisconsin and Anthony Mabron Burton of Flint, Michigan. The summer that Martin was two years of age, just shy of his third birthday, his father brought him to Flint, MI. He had always been told that he was born in California but his home was in Michigan because that is where his family was. The summer that Martin, who was always called by his middle name, Kelly, turned five years old he again was visiting his family in Flint, Michigan. He spent that summer with his aunt Loretta and uncle Charles Kelley and their two children Shawn and Jason. It was getting close to the time for school to start when the decision was made that Martin would stay in Michigan and begin kindergarten in Flint. Everybody was happy. He was enrolled in Flint Community Schools system at Brownwell Elementary. He stayed with his aunt, uncle and cousins through the fifth grade. He had long referred to his aunt and uncle as "Mama" and "Dad". During this time he attended their church home, Mount Zion Missionary Baptist Church where he was baptized on January 28, 1979 by Pastor H. B. Dixon. During that time he also became a cub scout.

Martin returned to California for his middle and high school education where he ran track, became a serious biker as well as being known for rapping. He graduated from Santa Monica High School in 1988. He always said he would go to college in Michigan-he almost did; along with his cousin Jason he attended University of Toledo where he received his Associates Degree in Business Communications. After leaving college Martin enlisted in the United State Navy where he was a Divisional Supply Officer stationed on the USS

Theodore Roosevelt CVN-71. He was in the military from 1992-1996 and received an honorable discharge. In keeping with his roots, he returned home to Michigan settling in the Oakland and Wayne counties where he began his culinary career. He attended Dorsey Culinary School. He was employed at Red Lobster, Applebee's in various positions from back-up chef, preparations, line-chef, bartender, server and trainer. His last employment was at Vivio's Restaurant in Warren, Michigan as a cook.

Mr. Burton will always be remembered and lived by his family, those cherishing sweet memories; father, Anthony Mabron Burton; birth mother, Louise Goddard; siblings Juanita and Yomo Burton both of California; immediate family, "His Mama"/aunt, Loretta D. "Aunt Peaches" Kelley; brother/cousin, Jason Kelly; sister/cousin, Shawn Hall (Jeffrey) Vann of Pontiac, MI; as well as many cousins, aunts and uncles.

Mr. Burton was preceded in death by his adopted father, Charles Kelley; and grandmothers, Mary Jefferson and Lula Mae Kelley.

“ Think the first time I met Kelly was at John Adams Junior High School as we were running in a physical fitness test- He passed me up... Haha:) So many fond memories throughout High School. Running cross country and track, boogie boarding, bicycling Malibu, camping, skiing, playing basketball, and hanging out at each other's houses. Tony would tell us, "Boys you got to learn responsibility!" Grateful his dad said that. My grandfather said Kelly had a gentle nature. We sometimes hung out at Morgan's. I remember playing Scrabble and Morgan challenged Kelly's word, yeah. Kelly replied something to the effect, "I told you, if it sounds like a word, it's probably a word." Well, my condolences. “ So sorry to hear this shocking news at such a late date! I was Martin's track coach at Samohi (Santa Monica h.s.). He was our #1 track distance runner his senior runner. His 4:25 mile time was achieved through talent and dedicated training. And he was a great teammate. Our cross country team was a league champion team, and he was a very important contributor to that success. I hope he and my fellow Samohi track coach, Mike Griswold (who preceded him in death 2+ years ago) are now both exchanging track stories of those days gone by!

“ Kelly was so genuine. Everyday I walked into work he would smile at me and ask me how I was, how life was, always interested in others lives. This is such a shock and the family is in my prayers. I'll be saying a prayer for the passage of his soul. Such a good person.

“ A beautiful soul has left us feeling empty. No one could have told me that you would be gone this soon. I have known you from a little beautiful, boy. You were always a gentleman as you searched to find your way in life's journey. Many obstacles you were able to overcome as you grew into the man who would make the world proud. My daughter became one of your closest friends and confidant that you shared your deepest feelings and fears. You will always be loved and missed.

“ It is with a sad heart that I write this tribute to my friend, but to say friend, is too mild of a word to use to characterize our relationship. I have been a friend of the family since I was 3 years old and grew up with Kelly. We spent many days throughout the years talking to each other, visiting each other, and writing to each other. My fondest memory is when he came to my house and taught me how to cook a proper steak in a cast iron skillet. He was working at Outback at the time and he told me "never put soap and water in your cast iron skillet, you're going to ruin the seasoning of the skillet, just wipe it out". He was right!

Your friend always,
