We were shocked & sadden by the passing of

“ To the Roberts Family:

*I was sorry to hear about the passing of your
loved one. Death is liken to a thief that comes
and takes away our love ones. Or due to old
age and sickness we lose that precious quality of life that leads to
death.*

*However, have you ever asked: Is death the end of it all? Or is there
something else after death? The bible clears up any question we
might have about death. It also shows that there is a real hope for
persons who have faith.*

*Yours truly,
Patricia*
