“ *I thought we had a big family but it appears you all had a big loving family also. Mother Hannah race ended and she passed her patron to her children on July 26, 2022. It's your turn to take everything she taught you and run on to the end of your race. Always remember with the love you mother and father shared, you became one. When you look into your sibling eyes, and give each other a hug just know that you are hugging your parent's love for each other. As long as you live their love will live inside you. May God bless each one of you.*

“ My condolences & love to the family. She was one of the best neighbors that you could ever have. I spent many summer days during the 1980's, at the Hannah family home and was always treated like I was one of their grandchildren, when I was just the kid who lived 2 houses down the street, and I will forever be grateful for that. Rest Well Mrs. Hannah.

With Prayers & Love,

“I thought of you today but that is nothing new. I thought about you yesterday and the days before that too. I think of you in silence, I often speak your name. All I have are memories and your picture in a frame. Your memory is a keepsake from which I’ll never part. God has you in His arms, I have you in my heart.”

Please know that you all are in my thoughts and prayers. I understand how hard this must be and want to offer anything I can do to help.

*In a time of mourning, let us find comfort in the love and support of family and friends, rejoice in the caring and sharing of memories and talking about the "good old times", give testimony to God's grace and blessings in providing Aunt Addie with a wonderful, full and fruitful life, and celebrate a hundred years of a life well lived.
May our thoughts and prayers be you,
Dr. Clyde and Sharon Alexander*
