“ Aileen was our neighbor for all of my childhood and young adult life. I remember she was a sweet woman with alot of spunk. Her children were my childhhod friends...and as kids are...we had our ups and downs...but those memories do not fade...we are forever bonded. My prayers and love go to her family and friends..as I am sure she will be greatly missed!

“ I love you so much Grandma. Ill always miss you. You are such a beautiful soul. I am so blessed to have spent 23 years with such an amazing caring person. You always worried about how I was and how I felt. It breaks my heart you had to leave so soon, but now I know your not in any pain, and with everyone you've been missing for so long. And watching over us. We love you so much. Love, Jade, Chris and baby.

“ Aileen Hillman better known as grandma was one of the sweetest, loving people I could have ever been blessed enough to know. She always treated my husband my self and mostly Thomas as part of her family. We have been very lucky to have spent time with her at family parties, and at our home on holiday's. She loved her family very much and will be missed by all that where lucky enough to know her. We loved her and will miss her. Love Wayde, Vicki and Thomas Mascarin.
