“ *The Lord looked and saw that you were tired and gave you time to get used to the idea of not being with your loved anymore. You were not in pain , your breathing was not stressful and you were calm. You will be missed by many. To me you were a life saver. Working midnights, I knew my son was cared for with love. Thank you Deanie for being there when I needed you. To the family, stay strong and love each other. Remember the good times and the love that God has for all of you. My prayers will always be with you. Karen*
