“ My heart goes out to your family. Your son had a very warm smile. I couldn't begin to imagine what you all must be going through and I wanted to leave a few words of encouragement for the family at this very difficult time. It has to be very hard to lose a child. And I'm sure at times can leave you with an overwhelming feeling of loneliness. I just want to remind you that Jehovah is always here along with his Son and our Savior Jesus Christ. There is an account in your bible at Luke Chapter 7 inwhich Jesus ressurected the son of a widow. In this account Jesus was said to have told the young man, "Get up!" and so he did get up. Did you know that there will come a time inwhich Jesus will utter the same command to your son? John 5:28 mentions that "the hour is coming inwhich all those in memorial tombs will hear his voice and come out." I wanted to leave you with that precious thought that Jehovah has not forgotten about you or your son and that you have the chance to see him again.
