“ My sweet dear grandma I can't believe you're really gone. This has been a very hard pill to swallow but I understand your in a better place and your not suffering anymore but I wanna be selfish and keep u here. I have so many great memories of me and you together and I will cherish every experience I got to share with you. Love you grandma

From your favorite grandchild/grandson you'll get that joke 😂😂😂

We will love and miss our next door neighbor who heard all the drama and said nothing! She was a class act, well respected, loving and humble being. I will miss you getting my mail and being able to send over cakes, cookies and treats that Se'Corra made in overflow. I still won't honk my horn in my driveway out of respect for you. You will be missed. Love your Simmons family next door.

“ *Nothing Loved is ever lost!! No one who has ever touched a heart can really pass away, because memories remain and love lives on. May God be with all of us. May His promise of eternal life be a comfort to us in the loss of one so dear. I will cherish the many memories of my Sister-in-Love, Faye!! Her beautiful smile will be greatly missed!! Rest In Peace, Faye!!* 🙏🙏🙏
