*Dave, Charles and the Moss Family:
Words cannot even begin to express the depth of sadness in me and my family's heart upon learning of Alma's passing. Alma was so good to my family, especially my mother, Willie Mae Johnson. We adopted Alma as our family; Mom's daughter; my sister. We have been there for each other for so very many years. She was so close to us that I asked her to read the acknowledgments at my late husband's funeral 11 years ago. We will miss the many visits, the laughter, the tears, the counseling and the love that existed between my family and Alma. You all have our sincerest condolences and heartfelt prayers. There is no other like Alma and my family and I are eternally grateful and blessed that God blessed us with Alma's love, friendship and sisterhood. Rest easy, our dear sweet Alma. You may be gone, but you will live on in our hearts forever.*

“ To David and the family of Alma. As much as I know you are hurting because she will no longer be in your presence, Alma is in the loving hand of her Savior and is praising God with other cloud of witnesses. “ *To the Moss Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ I remember back when I was a little boy, when she would be at gatherings at my Aunt Mattie Jones' house, I couldn't take my eyes off of her because I thought she was so beautiful! I remember the last time I saw her was at Liberty Baptist Church, where she and I were visiting. We spoke, and I still stared at her like back when I was little; at least this time I got a hug from her once she remembered who I was! Rest well, beautiful friend!❤️

“ Aunt Alma you was a beautiful person. You was the shortest person in Pontiac and never held your tongue for nothing and no one. You was always about business and carried yourself with the highest dignity and honor. No one can speak negative about you because you carried yourself respectfully with high regards for self and others. We love you and will miss you for taking charge of every challenge that you faced and for looking out for all those who encounter your presences. May the Lord continue to lay his hand on your family. In Jesus name. We love you The Rouser family.
