What a beautiful service and I hope it brought comfort to you, Helen, and your family. James and I were so glad we could be part of the service and hear all the wonderful accolades that were given to Lonnie today. We will truly miss Lonnie but are so grateful that we spent time together at the last family reunion and have lots of great pictures of everyone. It also meant so much for you and Lonnie to attend our daughter's wedding in 2011. James and I will be continuing to keep you, your family and the rest of the family in prayer. We love you!!
