“ I remember Al debates with Dr. Freeman at Oakland Community College they went toe-to-toe in our criminal law classes debating, they were never dull. I often told him he missed his calling to be a lawyer. To his family and friends, I am praying that the precious memories that you shared with him will sustain you during your loss. I'm really gonna miss seeing my friend, he had his own unique way about doing the things he did but he was a very nice person. We really going to miss you Alvin Brown may you find peace as you make your journey to heaven. May you find all of the answers to your unanswered questions here on earth. Rest in peace my friend
