“ Dre, I will think of you constantly as I watch Jalan grow. I will miss you forever and will always keep your memory alive. To the Roberts Family, I feel your pain, heart ache, and the empty place you are feeling right now. May it be a source of inner strength to know that there's a loving God watching over you and that throughout this time of need, He'll stay close by your side.

“ *I have known Dre for many years. He always had something funny to say, and kept a grin on his face. He took pride in his work, and it was evident. To the many friends, customers, and most of all, family-my deepest sympathies are with you at this difficult time. Please find comfort in knowing that he is resting, and in a much better place than us all. Continued blessings...*
