“ Dear Alan; children; family; and friends of Angel. My prayers continue to be with you all as this premature time of loss and grief occurs. For what ever reason God picks and chooses His flowers, He, I know, has taken Angel to a much greater place than we could even imagine. Peace is so very difficult to find "until" we can finally meet Our Father in Heaven! We may find it difficult to "rejoice" in the death of loved ones, but we can rejoice that Angel has found her true peace in eternity! In that I share your sorrow, but "rejoice" that Angel is now at peace with God Our Father!

*God Bless and continue to keep each of you in this crossing over of Angel.*

*Love and Prayers: Darlene Burnett*
