“ I worked with Angela for 3 yrs and she was one of the most loyal workers we had employed with us. I became friends with Angela while working with her and truly thought of her as a great person and friend that I could count on. When Tonya (my friend) began working there we all clicked and really enjoyed hangin out together and having a few drinks. She loved her rum and coke, LOL!! I just wanted her family to know that I really loved Angela and I will truly miss her.
