“ *Words cannot express how much Angela will be missed. I had the pleasure to work with Angie at the Palace and Ford Field. Angie was always helping others and correct the many mistakes we all would make. The biggest joy was her family we would share stories about our children and her eyes would light up when we talked about her grand babies, i am so very sorry for your loss Angie was a loving. caring person. My you find strength during this very difficult time.*

“ *"Auntie" Angela was always a joy and a light to be around. My heart is heavy for the sister and brothers she leaves behind, but especially for her son and grandchildren. May Papa Rip and Momo Audrey warmly receive their "Angel" with open arms. We will miss you! Rest in peace.*

“ It saddens my heart to be writing this. We lost one of the sweetest woman I ever knew. I'm sure there will be a void in all of our lives for a long while if not for ever. Angel had such a beautiful smile. She loved her family and I enjoyed hearing about the grandkids. She would light up when talking about them. I loved working at the palace and Ford field with Angel. I worked on a different floor at F.F than Ang. When I made a mistake or had a question & I didn't see a supervisor on my floor immediately I would run down to Angel to fix it. She would smile and say there you go. I'll sure miss her a lot. To Angels family I'm so sorry for the hurt you are going thru. If I can help in anyway please ask.
