“ To Jeremy, wife, children and all of Anne's family members we love you and we are praying for you and your comfort in the Lord. Be encouraged and know that all is well. Ann and I were very,very dear and close friends for many many years. We went to college together, we fished together, kept secrets, we laughed 😄 together and she was my maid of Honor at my wedding. I am so grateful and thankful to God that He allowed me to visit Ann at her Assisted Living residence in Michigan. I visited Ann along with other friends and took her balloons, goodies and love. We laughed, shared about the goodness of God and reminisced about the times that we shared down through the years. Ann and I had a sincere forever friendship . On one of Anne's birthdays her sister asked her what did she want for a birthday gift . Ann asked her sister to find her friend Gail for her birthday gift, after I moved away from Michigan. Ann's sister found me in Georgia. Ann got her wish and her birthday gift. She was a very special dear friend to me. We never lost contact again. Ann is gone but not forgotten, we will place her in a photo album in our hearts, where we can visit her anytime through memories. As we live holy and walk up right before God we will see Ann again and there will be no more Goodbyes. Jeremy, son I am here for you, be encouraged, I am praying for you and all the family and just know that all is well in Jesus name. 💖🙏💖

“ Ms. Benton has a very special place in my daughter, Shayla’s heart. Shayla would often finish her assignments quickly so she could go to the back of the classroom and hand sew on the class quilt. Ann always brought out the best abilities of each student and made sure they knew they had worth. She taught them so much more than just books could ever do. She taught life lessons, history and skills.

Jeremy, I wish you peace in knowing that your mother touched so many people’s lives, as students or parents. She is home with her Savior.

“ *Family of Ms. Benton,  
I had her as a teacher in 6th grade at Della Lutes Elementary in 1976. She taught me so much in that year I spent with her. She was always so patient with me and gave me confidence when I really needed it. She always expected my best and gave me hers. She was an amazing educator and I really benefited from her teaching me. Sorry for your loss and I will be thinking of your family. I appreciate that I got to share her with all of you.*

“ I have many memories as Ann's colleague at Donelson Hills. She was a humble faith filled lady. I will always remember when she recruited me for an assembly. She was playing Harriet Tubman. I was the interviewer. She provided no scrip. As I was interviewing her she pretended to pass out! Well that's when I learned HT had a head injury that caused HT to have seizures. She thought it funny to spring this on me in the middle of the assembly. She had a quiet sense of humor. I missed seeing her and finding out about Jeremy. She is home.
