“ Aunt Annie B. Burkett- Kirksey. I don't even
know where to begin. I could write a book on
the relationship you had with your nieces and
nephews. Your was more our friend, than our
Aunt. I knew the day would come when, I
would get the text or call that you made your transition. But it still
seem unrealistic. But I wouldn't wish you back here again, only to
say Rest Easy in Heavenly Peace. But I wish Heaven had a phone
so I could hear your voice again.😭😭😭😭
