“ Auntie Ann, the words are hard to say. It has been a long road for you to travel, but you found your way. You have been my Aunt for many years. We have laughed and cried together. We have cooked together and broke bread together. You gave me unconditional love, advise and your wisdom. I will not say goodbye, but I'll see later.

*I love you, as no other could. You will always be in my heart. Love you always!*

“ Aunt Ann was always kind to me. From the time I met her, and her family they showed me love. It can be a little nerve wrecking when joining a family and her kindness and excellent cooking helped ease that. TC, uncle Sonny and Steve we will have envelopes for each of you as O have never forgotten the kindness you showed me 22 years ago. I am so sorry for your loss, she was a special lady.
