“ We offer our sincere condolences to the Briggs Family on behalf of the Lisbon and Davis families. It was a blessing, pleasure, and so much joy meeting Ms. Annie during the holidays last year. We laughed so much with her. Just that little moment spent with her assured me she enjoyed life to the fullest with family and friends. God will strengthen and comfort you as you go through this journey. Know that this is just the beginning. We will see our loved ones again and celebrate at the Throne of Jesus Christ together!

“ *Annie was one of the first patients I had the pleasure of treating in my practice. I was a new doctor 25 years ago and she placed complete trust in me to take care of her. I never forgot that. I am proud to have known her as a patient and a friend to the very end. She will be greatly missed. My sincere condolences to the entire family.*

“ We know that death is a part of life, yet it's never easy to lose someone. Losing someone so dear is devastating, and no words can ever really relieve that pain. I am praying that God will grant you the strength you need and that He'll give you comfort and healing during these toughest of days. Cry when you feel like it. Let the laughter roll when it comes. And know that your mother will forever live on in the journeys you shared together. My Condolence and prayers to the entire Briggs family.

“ My prayers for strength to all. Throughout her fight, yes she fought the good fight bringing smiles and laughter to many hearts. We will truly miss her physical presents at Monument of Faith however she will live on in many hearts. I shall always smile and sometimes chuckle from somethings that she would say . Especially her song, "Don't let the devil ride" when that was sung she would get so excited . . .like she ain't playing! There will always be a smile for me when she comes to my mind. My condolences and continual prayer.
