“ To my friend Lani and her siblings, in your time of loss. The love of a mother can never be replaced. Her caring nature and her warm spirit will live on/in you always. Remember a mother's love is alive forever; in the lessons she taught, the patience she gave, and in the hearts of the children she raised.

I will always remember the special times your mother and I spent together sitting in church worshiping and praising GOD, our serious talks in her living room or being a hot mess at family celebrations.

I'm extending my deepest heartfelt sympathy and praying that your faith will give you strength this day and everyday to come.
