“ I love you Mommie you are a woman of strength just like our Ya-Ya. I am so wonderfully blessed to have you as my Mother and ya-ya as my grandmother. I have gleaned alot and hope to continue to glean until the Lord take me home with him. I hope to be half the mother/grand-mother as you are to me and your grand/great-grandkids and as Ya-Ya was too you and her grand/great/great great grandkids.

Please contiue to lean on Jesus and let him comfort you and know that your kids/grand/great grandkids are here for you and we will get through this together with Jesus. And know if we live our life as she did on her knees before she starts her day and end her day on her knees; always seeking to know him and live for him showing/giving love and being that great servent; we will see her again with the father in heaven!!!
