“ WOW, I'm crushed! Such a gentleman among gentlemen... To the Anthony Bly family, he often spoke of your wonderful relationships and was very proud of your accomplishments! Please know that he was truly admired and revered by soooo many.

May the God of all comfort be gracious to you during this time of "temporary" separation.

“ Just heard the news. I'm speechless. I kept checking up on you at your place of business when I was in the area, I wish I was kept abreast of your true status. Anthony, you were the coolest guy I ever met. I can't believe you are gone, I don't understand it. You worked hard, you played hard, you were a business man at heart. We talked about business, but we also talked about life. I'm going to miss you man for real. Thoughts and prayers to you and your family. You can never be replaced.

“ To the family and friends of Anthony Bly, I wish to express my deepest sympathies to you for the loss of your beloved Anthony. It is always tragic when someone we love dies, it is even more tragic when they are so young. As you gather together to morn his death, the words of psalms 34:18 will assure you of God's caring for you. "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."
