“ *To my family
Archie was a family jewel
As we all know Archie loved being an active family member.
He always aimed for us to be together, love each other, and take
pictures for later.
Anytime family was together Archie always had a few words of
encouragement & wisdom to share with all of us. If it was a mic you
better believe he made sure he had it at some point.*

*Jessica & Jennifer thank you for sharing your father with me . From
a toddler he made sure I seen my father who was hours away. Not
once , we talking well over a decade. This alone proved his love for
his family.
I thank the Lord for him!
I love you Arch!*

“ While I didn't know Mr. Archie long, the time that I did was a blessing. We were neighbors for about 4 years & it was a comfort to know I had a caring & special person right next door. I could trust him to keep an eye on my house when I'd go out of town. He'd check on me during power outages to make sure I was okay. And several times he'd help me out with yard work, saying he knew I took pride in its appearance & he'd help in anyway he could. I'm going to miss him & his caring spirit. My deepest & most sincere condolences to his family & all those who knew & loved him. Praying for your comfort & strength during this season.

“ Archie was a Great Man! The Big Brother of the Eastside when I was growing up. Always took time to teach and help others. Archie made sure the Recreation Activities at McConnell School, Oakland Park, Eastern Jr. High and Murphy Park always included Black Children! He a Great at everything... Tennis, Basketball, Baseball, Horseshoes or tossing washers.

Archie was always the same...Kind, Supportive, Welcoming Smile, Firm Handshake and always looking out for others.

My Condolences to the Powell and Williams Family!

“ Sending prayers and condolences to the Powell Family. Archie was an avid tennis player and a long-time supporter of USTA Adult Leagues. Archie had a real eye for tennis talent and used his magic to put together several championship teams over the years. We will miss his presence on court but know for sure that Archie is now playing on heaven's tennis team.
RIP Archie.

“ My prayers and condolences to the Powell Family. Archie was my first friend when I moved to Detroit in 2002 and we remained friend. Archie was an avid tennis player and I played on all of his USTA tennis teams. He referred me as "Little Buddy" off the court and "Little Big Man" on the court. I will miss all the fun times we shared. Archie was one of the kindness men I've ever met. RIP Archie and know you will be missed.

Your Little Buddy,

David Wilkins
