“ I was saddened to learn of the passing of Arnett (We knew him as "Arnie" at the old Freeway post). He was an excellent State Police Trooper but an even better man. I will always recall his smile and his great sense of humor. You will be missed but never forgotten.

“ I have known Arnett since Junior High School in Detroit. We became immediate fast friends. As we searched for our life purpose Arnett and a tight group of buddies shared a love of the great outdoors. We fished, hunted and family camped. I especially enjoyed his his God given musical talents! As our life journey took us off in different directions, we communicated our trails and tribulations through calls, luncheons, and the occasional social event. I will never forget this MAN! He was one the most intelligent people I have ever met. I always walked away from our encounters full of fresh perspectives on whatever subject was at hand! God Bless You My Friend! Until we meet again!
