“ *Pluto my dear friend.I'm remembering the times when I used to go to your house on Howard McNeill and we would hang out and sing on the streets and corners of the projects.And even after you moved over by Indian Village it continued. Having so much fun just hanging out. I learned a lot from you. Even though I hadn't seen you in so many years I never forgot all those times.They stuck with me and will continue to for the rest of my life. You were like a big bro to me in those days. I could go on and on but I will just say rest In peace my brother. I have a heavy heart trying to write this.My sincerest condolences go out to your family and God bless your soul.I say a prayer and light a candle for you my dear friend. Hezzy Atkins*

“ To Jomain, Nina, Johnny & Rest of Family,
I embrace each of you with prayers and hugs as you go through this difficult life experience. A memory that stands out in my mind was in meeting both your parents at a parent conference at Washington Middle School over 30 years ago. I recall being assured by your Dad with him saying, "If you have any trouble out of mines, just call me!" It was impressive to, first, see both parents in attendance and second, to know that I had your parents support. You guys were really blessed to have them in your lives.

May your fond memories & shared 'stories' sustain your grief. May you hold each other up in family unity and comfort.

Love you!
