“ Unc!! Never imagined that my visit w/ you and few weeks ago would be our last. I brought you those boiled peanuts that you love and was looking forward to surprising you with some pudding! My mom and I are deeply saddened that you're gone, but it makes me smile knowing that you and your buddy (my dad), are together again! Condolences to Mattie, her children, your son (my cousin) John Ryan, and to all affected by this loss.

“ You know you’re the reason why I love being on the water, now I can’t stay off a cruise lol. All those boat rides you took me, Stank, and Jaws on were the highlights of my childhood and life. I can’t believe you’re gone fishin’, we needed one more ride. I love you ❤️ from your “Meek”.
