“ This has really grieved my heart. Artina & I were great friends in my childhood. To not hear of this or be able to see her lets me know that those you love are really precious.

“ Sweet and caring Tina...I am just finding out that you passed away. We knew you wouldn't have just quit and walked away from caring for our Mom (you always lovingly called Ms. Kay). I am so very sorry we missed the memorial services to say goodbye but we had no idea.

I texted you for weeks after you told me your asthma was acting up and you were going to the hospital again. I hadn't heard back from you so every week thereafter tried to reach out again. Such a light in my Mom's life - you always could get her to smile with your infectious smile and kindness as my Mom's dementia continued to worsen. Thank you for the joy you brought to others in the special work that you did while on Earth and certainly Heaven has welcomed a very special angel. RIP Tina - we love you.

“ Tina, you don't how much it pains me to know that you are gone. Even though we lived miles apart, we had a close bond. I am going to miss you keeping it real with me no matter what. I will never forget the times we had together. You taught me alot about the streets and how to handle myself. You were a true friend.

“ *We are shocked and saddened by your sudden death Ms. Tina. You were such a kind and caring person. Your kindness shall live in our lives and the lives of the children you touched forever. You were a true advocate for children. You showed concern and took action where you could. Thank you! You were loved and respected by many. May you rest in peace Ms. Tina. You will be truly missed. The good you've done, will NOT be interred with your bones, but instead will live on after you. Heartfelt sympathy to the family. (Mrs. Helena T.J. Coleman, M. Ed., E.A.C. (Aunt Helena)*
