QW

I meet Ashley a few years ago, She was a quiet young lady with a quiet spirit and a beautiful smile. She loved her children and family with all of her heart. She came to my church a couple of times. I will definitely miss her. I know words can't explain how the family is feeling at this difficult time. But know that God will be there for you for every tear shed and the broken heart. I am praying for all of you. Love Queenie
