“ *Ann and I met and became close friends in the 1970s while serving on the faculty at Shaw University in Raleigh, NC. The friendship grew and I became a member of her family by extension of the love from her entire family who accepted me as another daughter. "Baby Ann" was named for her mother whose kind and gentle ways towards everyone that she met. Anne inherited these sweet characteristics from her mother. We have continued our friendship over the years which has meant a great deal to me . I send my condolences to Wallace, Pat, Meriel, Paul and Victor and gratitude for the care that you provided when she was too ill to care for herself. She loved all of you dearly. I am truly going to miss our Sunday evening phone chats and her great cooking whenever we were together. May God bless each of you . I am so grateful that I had the opportunity to meet my dearest friend and her family. It has truly been a blessing.*

Attorney Ann Parker will be missed by the Jones family. My sister Francis Jones whom we just loss last month offered her skills and services for several years,as it has been stated anytime one was in need of her professional services Ann never hesitated. Francise would often mention after a long dayof work Ann would say to her "set and let's have a glass of wine."

May your hearts be filled with all the wonderful memories she left behind for us to treasure.

*To Attorney H. Wallace Parker and Family.*

*Words cannot begin to express the sadness that I have in my heart after learning about the passing of Attorney D. Ann Parker. She was just in our courtroom a few weeks ago. I will always remember her quiet strength, class and sophistication. It was truly my honor and privilege to have known her for the 38 years that I have worked at the 50th District Court. I always looked forward to seeing her and talking with her. She treated everyone with great respect and was always on the top of her field. I always admired Attorney Parker. Always beautifully dressed, coiffed and ready to take on the next criminal case with her enduring strength. I will truly miss her and I thank God for the opportunity and the blessing to have known her.*

*May God bless your entire family during your hour of bereavement. Even though Attorney Parker is gone, she will never, ever be forgotten. Thank you for being such a wonderful example of how a professional, sophisticated woman is supposed to look, act and carry herself.*

*Attorney D. Ann Parker was amongst the first African-American female lawyers in Oakland County, and more particularly in the City of Pontiac. She was a true trailblazer. She provided guidance, leadership and assistance to those of us who were carving our paths. Whether it was her day-to-day encouragement toward development within the practice of law, her spearheading Law Day programs in local churches, or vigorously protecting legal rights through community service activities, Ann was the epitome of professionalism and poise. Thanks Be To God. Thanks Be To Ann.*

*My condolences to the family of Attorney Ann Parker. Please know that she was one of the kindest person's I ever met, and as an Attorney, she was one of the ablest legal mines I've ever encountered in court. Her grace and quiet reserve were hall marks of her character. Ann's passing is a great loss to the legal community, the clients she represented, the City of Pontiac, and Oakland County.*
