Tribute Wall

“ Tony S. Johnson lit a candle in memory of Austin Lee Johnson

Tony S. Johnson - February 11, 2016 at 09:30 PM

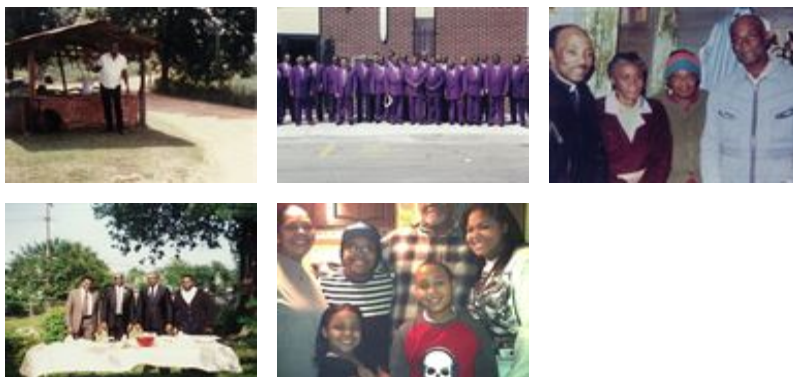

For what is the final journal of a man except for his remaining footsteps for others to seek out, trend along and excel beyond that lasting trial. It is but the time of such a short period for we are here and then we are gone, yeah so quickly as a bubble on running water. For the gift of life that was given we say thank you. For the 3 score & 10 + 10 we your family acknowledge the maker. Now for this sensitive time at his reclaiming of a given life, rest in peace.
