“ Oh my...I just found out (3yrs late) Aunt Barbara has passed, I just want to say how loving she always was to me and always welcomed us to her beautiful home in Detroit and delicious meals. She was classy and took a lot of mess from her inlaws that hid family secrets and caused such pain & stress. Too bad her children didn't know how to reach out to me when MY mother passed, who had taken care of THEIR sister when they didn't want to have her around. Looks like they didn't learn manners from all those etiquette classes and cotillions. Have a nice day.

“ I always viewed Mrs. Paige as a second mother, with her constant demonstration proper diction and class everytime we "talked." Mrs Paige always, always reminding me:I was "special" and I had the ability to overcome anything that life could bring my way. I counted it an honor to have known Mrs. Paige and I count it a gift to consider her like a second mom in my life.
