“ *Barbara Wright I remember when you first came to Chase in Tampa. Your warm personality, you fit right in. It didn't take long before you became a sister, and friend to all.*

I will always remember you treating me to lunch because you were so proud of me and my 31 years of recovery. You don't know how happy I am to have had you in my life. I love you sis and I will never forget you.

Rest well my dear friend. I pray for strength and comfort for your family and friends 🙏
