“ *Dear Raymond & Family, we are saddened by your loss of Belinda. I have known Belinda since Junior High School. We attended Oakland University, sharing the same major, attending all of the same classes, even graduating together in our field of study, walking across the stage to get our diplomas together. Belinda is sorely missed. My husband Alfred and our family pray that God comforts you and Blesses you with His Mercy and Grace as you deal with Belinda's loss. I will never forget her and will love her forever. This is a most solemn time we endure. Always in my heart Belinda and I miss you, Brenda Dunlap.*

“ *To the Horn Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
