“ Rhea, Alyse, Jonathan, Mario & Family,
We want to express our deepest sympathy for the loss of your Mother. She will be missed my all. As the days go by, focus on "ALL" the wonderful memories and the laughter that you shared while you had her in your life. We have already been sharing the fun times we have had in the office and out of the office. We know that she would want to be remembered for all the great memories we have had together.
