“ *Benny was the best childhood friend a person could have, when we were kids he would come to visit his cousin Mike, and at the end of the day, Mike and I would walk him halfway home and he would turn around and walk us halfway back. To this very day I still laugh when I think about that. Benny is going to be greatly missed. My prayers go out to the entire family, may God bless you all.*

“ *Ben did some work for me here in Fox Hills, and was always super friendly, extremely courteous, and more than willing to help, and I now consider him a good friend. Ben left a lasting impression on both my wife and I. We will not forget him, and the example he set for us.*

“ *I met Ben in 2004 when I married my husband Jay. Ben was always there to help us with any repairs we needed in our condo, while installing the furnace, washer, dryer, screens and was recently scheduled to have painting done to my balcony. Ben knew every Condo Co-owner in the Fox Hills Complex and had a great rapport with everyone, while being of service to us all even if he had a full schedule. Ben will be truly missed around Fox Hills as well as the wealth of knowledge he brought and shared with us in over the 30 years he worked there. My condolences to his family and his Fox Hills family during our time of bereavement. Rest in peace Ben.*
