“ Dear Tova,
I am so sorry for your loss. I just recently found out and am sorry I didn't make the services. Your Mom was so dear and sweet to everyone she came in contact with.

Love,
Teri Carson (Rogers)

“ To my beautiful extended family, It is my prayer that you all find comfort & peace in the days that lie ahead. "Quiet Strength" is what comes to mind when I think of "Bay Ray". She didn't have to say or do much, but she earned much love & respect by everyone she encountered. How she & Steward Sr. managed to raise such a loving, strong, and devoted family is legacy that I'm certain she was proud of.

If anything is needed, please know that we are only a phone call away. Love you all...

“ Dear Family,

I am very sorry to learn of the loss of your loved one. Matthew 5:4 states that those that mourn will be comforted. 2 Corinthians 1:3,4 tells us to give comfort to others. The Bible also states that our Heavenly Father cares for us.(1 Peter 5:7) He sent His Son to bring us hope and comfort. While his son, Jesus was on earth he raised many from the sleep of death and spoke of a coming resurrection. (John 5:28,29) We have the oportunity of seeing our loved ones again! Revelation 21:3,4 contains the promise that our God, Jehovah will end death, pain, tears and mourning. May this sincere condolence bring you a measure of comfort and hope.

“ Hello,

My name is Pamela Traeye. I just wanted to take this time to send my condolences to the family. I too have lost a loved one in my lifetime. Did you know that the bible makes it clear that God did not originally intend for humans to die? (Gen 1:28) The bible also tells us that God has the power to bring the dead back to life and that he will do just that!! Isaiah 26: 19 states, "Your dead ones will live... They will rise up". Jesus further reminds us at John 5: 28, 29 " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." If you would like to find out more about God and his promise of the resurrection, please contact me at my email address pamelatraeye@hotmail.com.
