“ *The Lord is my light and my salvation. He knows how much we can bear. Remember to always look to the Lord in prayer. He knows your heart and we all know that Betty Ann is no longer in pain. She is at peace. No more pain and suffering. I know it is hard losing a loved one, I lost my father at 12. Looking up to God and asking for strength is the best thing to do. Know that God is present and he is holding Betty Ann in the comfort of his arms!*
