“ *Beloved Betty, Thank You for being a strong, wonderful sister and aunt. You were there through the good times and difficult times growing up. In other countries your name has many meanings, "Sunshine", "Loved by God", "Consecrated to God", "Confident and Sweet". There is no one like you and we are very fortunate that let your light shine while you were here on this earth. We will remember you as B-Beautiful, E-Elegant, T-Thoughtful, T-Treasured, Y- You Are Loved. We miss you greatly and believe that we shall see you again.*

I have known Betty for about 20 years through SJMO. I have been so lucky to enjoy her warm smile, head back laugh, smirk and kindness. She would put my Mom through to me right away when she called. My Mom had dementia and Betty knew just how to talk to her. We have all lost a wonderful friend. Sheryl Gorbe
