“ To the Family and children...I'm very sad to hear of "My friend Betty" demise. Sending my love and prayers in this time of sorrow. She was a very good friend...I met her back in 1988 never a dull moment. What I liked about her was that she didn't pull no pushes, she was straight to the point. My heart ache, but I know "God" has his protective arms around her. "God" said "Speak her name and she shall live"! With all the good times and memories with the ones who knew her...her name will be spoken. Betty...you are missed but never forgotten...R.I.P. My friend!

“ To the family and children....I'm very sad to hear of "My Friend Betty" passing. Sending my love and prayers to you all in this time of sorrow. Betty and I became friends in 1988, she was an outspoken person and I loved that about her because you knew where she was coming from. I just got the news of her demise almost a year that she have been gone...she is missed but never forgotten. "God" said "Speak her name and she shall live"! I know many people knew Betty and have wonderful words and memories to speak her name, so she live within our hearts, all who knew her and loved her....R.I.P. Betty...my friend!

“ To the family of "BJ", I'd like to acknowledge and thank GOD for the life of Betty Jackson. A loving woman, aunt, daughter, sister and mother of 6 beautiful daughters. Even though she is gone way too soon, I want to thank the Lord for her lively and loving spirit. All of us knew BJ as a person that always spoke her mind and didnt play any games but would never hesitate to show ultimate love to her family & would come to their aid at any time. And even though she had trials & tribulations like we all do I will always remember her as a loving aunt to my son and who treated me like a sister & made me feel like a part of her immediate family. She is gone from home but not from our hearts. GOD bless and keep your soul BJ. I will always love you. Your sister Marnie
