“ *Billy, Duane, Kim whomever you be, you are a friend that I will remember like that younger little bad ASS brother. Over the years we shared many moments that will be with me forever, the laughs you brought my way will be a joy to call upon whenever I need a boost in spirit. The tears that were shed in those moments of sorrow are a reminder that life is. Myself and many others will kick around the many facets of your personna, and we will roar with laughter at times, and cry like babies at other times, it will be just as it is now. holding the memory of proud brother to heart and keeping a smile in our hearts.
