“ *To the Miller and Hodges Family,  
My heartfelt thoughts and prayers are with you all. I am still in total disbelief. I saw Brenda for the first time in a minute in the parking lot of her apartment complex. I got out of my truck and embraced her. She ask me to call her and gave me her number. I am kicking myself because I never got around to making that call. It just goes to show us that time waits on no one. I would have never thought that she would leave me so soon. Brenda is no longer in pain, having to take dialysis, and worrying about the troubles of the world. My sister is at peace and resting in the arms of our Lord and Savior. Take your rest Brenda, one day I will too see you on the other side. My prayer is that God will comfort your family as only he can. Trust in the Lord with all thine heart and soul.*
