This is so heartbreaking! Little Brian was the first great-cousin! I remember dropping him off at Jonson C. Smith University and felt so proud that we would have another HBCU grad in the family! I'm so proud of you and it's so nice to hear all of the amazing things that he has accomplished! Brian, you will always be loved and missed. Rest on little cousin!

Wish it wasn't true. B might have been my first friend in the world. Been a long time but always too soon. Rest well, brodie.
