“ I worked with Bryant for a little over a year now and i'm so sorry hear of his passing. he started a week or so before i did and we took breaks at the same time. he talked about his family and his love for his nieces and nephews often. I knew him as Chef B or just B at work but i also knew him as hard working and willing to lend a hand when someone asked. You will be missed B as you already are missed, i'm thankful for knowing you. i wish both you and your family peace.
