Thinking of you and your family during this time, praying you'll find comfort knowing that the one you love is home now, free...at peace in the presence of God.

“ FAITH

Faith is knowing in your heart what you can't see with your eyes.

Faith is the substance of things hoped for, believed in, and brought to God in prayer.

Faith is deep. Faith is strong. Faith is real. Faith is getting out of bed when you want to pull the covers over your head. Faith is a nudge, a whisper, a shout from the soul.

Faith is sustenance for a moment, for a day, for as long as it takes.

Faith is the answer no matter the question, problem, or situation.

Faith is what it is... Faith is everything.

Praying that your faith makes everything easier.

Though you may struggle, you are not alone. Stay strong and trust in Jesus!

Bible Verse: Hebrews 10:35, 39

Much love and praying for your continuous strength.
