“ To the family of Mother Callie Jones, I extend my heartfelt condolences. I pray that God provides you all, with peace and comfort during this difficult time.

I thank God for the pleasure of knowing Callie, she was such a sweet and stylish lady and loved her hats. Callie and my mother were the best of friends, now they're together again and what a time I'm sure they will have, rejoicing in the sweet paradise of heaven. If there were pots and pans in heaven, they would be in the kitchen cooking some of the best meals ever! 😊

Rest on in your heavenly home, Callie 🕊️❤️☐

“ Every time I went to Granny's house when I visited her, she would always throw down in the kitchen and make the best food I done ever had to this day! It's always good to hear her voice when she called and knowing that she was doing good always put a smile on not only my face, but my family's face as well. Knowing that she's living in Paradise with our Heavenly Father is definitely reassuring, but I would love to hug you one last time and let you know how much I truly love and appreciate you for everything you've done for me. I love you Granny, forever and always 💜.

“ *Best cook ever. I remember we had a black history dinner at church. Every single dish was prepared and made with love. That was the best dinner that I've ever had even to this day. She was an awesome Woman of God. What a blessing to be in the arms of Jesus, now.*
