Cal and I was born on the same day, February 26. I'm going to miss her laughter and big smile, the conversations and our yearly birthday lunch celebrations.

Praying peace and strength for the family.

FAITH

FAITH is knowing in your heart what you can't see with your eyes.

Faith is the substance of things hoped for, believed in, and brought to

God in prayer. Faith is deep. Faith is strong. Faith is real. Faith is

getting out of bed when you want to pull the covers over your head.

Faith is a nudge, a whisper, a shout from the soul. Faith is sustenance

for a moment, for a day, for as long as it takes. Faith is the answer no

matter the question, problem, or situation. Faith is what it is... Faith is

everything.

** Praying that your faith makes everything easier. **

Though you may struggle, you are not alone.

Stay strong and trust in Jesus!

“ *During the last few weeks of her life on this side of the Jordan River, our little Big sister Calvinita Peals told everyone that she came across this statement "I'm Living My Best Life Now"! Most of us agreed politely but didn't REALLY know exactly WHAT she was saying ! WOW - it's starting to sink in now. Love and Miss you for REAL!*

“ *Calvanita has a great love for Family. She kept up with all her
siblings and her cousins. She would visit as many family and friends
as she could whenever she was in town. She made it her business
to send cards on everybody's Birthday. She had a way of making all
she met feel welcome. We are family and we have been best
friends all our life. I'm still holding you close n my HEART.*
