“ *Henry Hickman and family,*

My prayers and sympathy are with you as you experience the transition of a memorable Uncle from earth to heavenly reward. I had the pleasure of working with "Uncle Cal". My first day working with him was memorable, as he greeted me with a plate of good 'ol chicken wings! I pray that God's hands will be upon you during this season. I trust that God will strengthen and comfort you during your time of grief. May you find strength, courage and hope through the peace of Christ, which possess all understanding. May God bless you and your family while comforting everyone with his word. Rest well, my friend 🌹
