“ To my loving stepmother, I am going to miss our laughs and your unconditional love. You brought sunshine to my life in such a brief moment. Even though I'm sad you're gone, I'm happy you have been made whole. Keep watch over me & Angel and the grand babies. We've earned another guardian angel. Love never dies and thank you for loving us back. Love you.

To my sister, you are a strong woman....Angel continue to build your legacy. Thanks for sharing your mother.

“ To The Family, I'm so saddened with Marcrease's demise. Both of our oldest daughters are 1st cousins. I'm so glad that she found happiness in the last couple of years. She will be truly missed. Weeping may endureth for a night, but Joy comes in the morning.

Hi Angel, I knew you as a baby and toddler. You were Beautiful then, and I imagine that you still are. When are the services being held? Let me know. May God continue to bless you and the family.
