“ My heart goes out to the entire Odneal family. Carldon "DT" was a close friend to my parents, John & Mary, all of my siblings, and myself. As kids, we often called him the "Rubberband Man" because he kept at least a dozen rubberbands on his arms. He was a straight forward, kind, and entertaining man. No matter where you went, you could always recognize his distinctive voice & laughter. We will all miss him, but go on because we have faith that he is in a better place...RIP

“ Your family will be in my prayers. I too have a loved one two weeks ago.

*We must keep the faith, and remain strong.*

*POEM*

*Miss me, but let me go*

*When I come to the end of the road*

*And the sun has set for me*

*I want no rites in a gloom filled room*

*Why cry for a soul set free*

*Miss me a little - but not too long*

*And not with your head bowed low*

*Remember the love that we once shared*

*Miss me - but let me go*

*For this is a journey that we must all take*

*And each must go alone*

*It's all a part of the Master's plan*

*A step on the road to home*
