“ *My sympathy to the family. When someone we love dies the pain and feeling of helplessness can seem unbearable. The Bible teaches that there is going to be a resurrection and those who are dead will be brought to life.-John 5:28,29*

“ *DEAREST CAROL; You have been for the past 67 years, GOD'S GIFT to all who have been lucky enough to have been touched by you. Your LIGHT GIVING LIFE, has guided us all BECAUSE YOU DWELT AMONG US as your family, your friends and the world you loved. Forget us not, for you are NOW EMBRACED by THE GOD WHOSE LIGHT radiated from you. May we look to the stars and see your light in times of darkness. May we look to the sun and feel God's Love for us BEAMING DOWN ON US THROUGH THE WARMTH OF YOUR ARMS reaching to us as we too journey toward you in HIS (and now your) GLORY. Your Neighbor and Friend*

“ I admired Carol, she was a true believer in our Lord and Savior. One thing she would always say to either to herself or me after being frustrated while working... "God Don't Like Ugly" . She always made me laugh. Fly High in Heaven my Friend and Dance with the Angels.

I can't believe it's been 4 months since you been gone. I miss you so much we may not have spoken everyday but you were in the group text. A day didn't go by without you saying good morning and I love you. Since you've been gone we don't keep that ritual going and the family is going through some changes not all positive. I wish I had a crystal ball so I would have known our last phone conversation would be the last time I heard your voice. Rest easy sis and give James a kiss from me. I love you both and will see you on the other side. When you ask GOD a question he answers the only way he knows how I don't care what your prayer is, he says Yes, No, or not know Now. When GOD answers Yes! It doesn't matter what you do It will turn out all right the Lord can really come through. And when he says No! You can try with all your might I don't care how smart you are, nothing will turn out right. When it seems like he didn't give you something you thought you had earned, it means he's trying to tell you there is something else you need to learn. And when you want a silk purse from the ear of a sow GOD is always listening He's just saying Not now. By Rebekah Elliott Foston Not Now. So I can't question GOD on why he took you so soon I know you are in a better place forever in my heart love you sis.
